Dear Parent/Guardian,

Your student is scheduled to take the U.S. History EOC on May 4, 2021 at Cypress Ranch High School. Please have your student arrive at school by 7 AM. The U.S. History EOC test will take 4 hours to administer. Your student should be ready for pick up by 12:33 PM. Your student may bring water and a snack. The snack guidelines are contained in this [document](#).

While TEA has announced that STAAR testing is optional for online students, this announcement pertains **ONLY TO STAAR 3-8 TESTS. EOC test are still required for graduation.** The best chance a student has at passing the test is to test while they are taking the course.

Released test questions and more information about each assessment are available online through the Texas Education Agency website at www.texasassessment.com. You can also contact your student's teacher(s) for a more detailed description of what supports are available both during class time and after school.

On test day, Connect students may ride the bus to/from Cypress Ranch or be dropped off by their parent/guardian. All Connect students who need bus transportation must complete this [transportation form](#) by April 22, 2021.
