The Maness Minute

Dear Mustang Parents,

As we enter the month of March, everyone anticipates spring break. That said, please check in with your child and don't let him/her start spring break too early. We still have one more week of school in this grading period. Now is the time to make sure everything is turned in and up-to-date so that grades can be posted.

We do want to wish you all a safe and restful spring break. We hope that it will be a time of rest and rejuvenation for all. When we return, we enter the home stretch and will be working on finishing strong during the last grading period.

Sincerely,
Mike Maness
